

Remarks

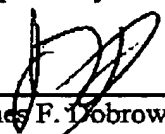

This application has been reviewed in light of the Office Action dated February 7, 2006. In the Office Action, the previously filed amendment, dated November 17, 2005, was deemed to be non-compliant because a) some of the status identifiers used in the claim listing in the Preliminary Amendment dated April 6, 2005 were incorrect; and b) claim 1 erroneously included underlining portions. By way of this amendment, Applicant has amended the listing of claims so that it reflects the proper status identifiers and has removed the erroneous underling of claim 1. These changes are formalistic in nature.

In view of the foregoing amendments and remarks, Applicant respectfully requests favorable reconsideration and the allowance of the present application.

The Commissioner is hereby authorized to charge any fees which may be required, or credit any overpayment, to Deposit Account No. 501358.

Applicant's undersigned attorney may be reached by telephone at (973) 597-2500. All correspondence should continue to be directed to our address listed below.

Respectfully submitted,
